The Beresh Group, Inc.
11835 Brookfield
Livonia, MI 48150
Attn: Bruce Beresh

Mr. Beresh,

McDaniel Fire Systems worked as a subcontractor for the Beresh Group on the installation of an updated fire sprinkler system in the US Federal Courthouse in Hammond, Indiana.

All dealings with Beresh Group personnel exceeded expectations. The Beresh Group personnel were very professional, persistent, and detail oriented. As anyone who has dealt with the Federal Government knows, the GSA standards and personnel are extremely specific and government personnel uphold those standards to the letter. The Beresh Group made navigating those difficult standards much easier.

McDaniel Fire Systems deals with many General Contractors on a daily basis. The Beresh Group proved themselves to be among the best to work with, and McDaniel Fire Systems would gladly do business with them again.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Hansen", written over a horizontal line.
