*Dear Mr. Beresh;
In March of this year I will be a resident of the Daystar Estates for 3years,
My wife and I love our home and we are proud to be residents of this
community. We have had very few problems with our residence because of
the superior building and craftsmanship that went into our home. At this
time we would like to thank you and your fellow contactors for their fine
responses to our building needs, from as small as garage lighting to
windblown siding that was replaced expertly, and expediently, please keep
up the good work, Detroit needs more homes as these, with people like you
who care, again we truly say thanks.*

*Sincerely,
Lawrence E. Peete*
